Younger than most other prestigious U.S. research universities, Duke University consistently ranks among the very best. Duke’s graduate and professional schools — in business, divinity, engineering, the environment, law, medicine, nursing and public policy — are among the leaders in their fields. Duke’s home campus is situated on nearly 9,000 acres in Durham, N.C., a city of more than 200,000 people. Duke also is active internationally through the Duke-NUS Graduate Medical School in Singapore, Duke Kunshan University in China and numerous research and education programs across the globe. More than 75 percent of Duke students pursue service-learning opportunities in Durham and around the world through DukeEngage and other programs that advance the university’s mission of “knowledge in service to society.”

**Duke Chapel** was constructed in the mid-1930s and is dominated by a 210-foot tower housing a 50-bell carillon, which is played at the end of each workday. Duke Chapel is open to visitors from 8 a.m.-10 p.m. during the academic year and 8 a.m.-8 p.m. during the summer. Ecumenical worship services are held every Sunday at 11 a.m.

**Duke Medicine** integrates patient care with the clinical, training and research programs of the Duke University Health System, Duke University School of Medicine and Duke University School of Nursing. Duke University Hospital is the flagship of the broader Health System, which also includes two community hospitals (Durham Regional Hospital and Duke Raleigh Hospital) and more than 200 ambulatory care clinics.

**Duke Athletics**, part of the Atlantic Coast Conference, fields teams in 27 NCAA Division I varsity sports. The Blue Devils have won national championships in men’s basketball, lacrosse and soccer, and women’s golf and tennis. The Duke Sports Hall of Fame, in the Schwarz-Butters Athletic Center next to Cameron Indoor Stadium, is open to the public.

**Sarah P. Duke Gardens** is 55 acres of landscaped and woodland gardens in the heart of Duke’s West Campus. Each year more than 300,000 visitors enjoy the gardens’ five miles of walkways and more than 8,000 species and varieties of plants. Duke Gardens is open to the public daily from 8 a.m. to dusk. There is no admission charge.

**Duke Libraries** comprises six libraries across East and West Campus, including the Rubenstein Rare Book & Manuscript Library, and the separately administered libraries serving the schools of business, divinity, law and medicine.

**Nasher Museum of Art** offers traveling exhibitions and educational programs, and creates exhibitions that travel to major venues around the country. The museum features a cafe and a shop and is open Tuesday-Saturday, 10 a.m. to 5 p.m. (extending to 9 p.m. Thursday), and Sunday, noon to 5 p.m.

**The Marine Laboratory** at coastal Beaufort, N.C., is a campus of Duke University and a unit within the Nicholas School of the Environment. Research is conducted in basic ocean processes, coastal environment management, marine biotechnology and marine biomedicine.

**Duke Forest** covers 7,200 acres in separate areas of Durham and nearby counties and serves as a natural outdoor laboratory for Duke and neighboring universities. The forest is used for research, protecting wildlife and rare plant species and studying timber management practices. It is also a popular place to walk or run.

**Duke Lemur Center** is home to the world’s largest colony of threatened primates, including more than 200 lemurs, bush babies and lorises. More than 85 percent of the center’s inhabitants were born on site. Visits to the Lemur Center are by appointment only.
EXECUTIVE LEADERSHIP

President - Vincent Price
Provost - Sally Kornbluth
Chancellor for Health Affairs - A. Eugene Washington
Executive Vice President/Treasurer - Tallman Trask III

A more comprehensive list of university officers is available at http://duke.edu/about/leadership/.
